Hi Kevin, I hope you've had a nice holiday. Would you please let me know the status of EPA's specific objection letter? Based on the call with EPA and Ohio EPA, I got the sense that it would come out sooner than January 5. But to my knowledge, it has not yet been circulated. Also, with respect to the 308 request, please let me know what times work best for a call and we can try to get this scheduled for early in the new year. Thanks very much. Brooks

As a follow-up to my letter dated December 10, I offer American Energy Corporation's initial response to EPA's information request. I will await your call to discuss the need for any further response. Thanks, Brooks
